

parskanie

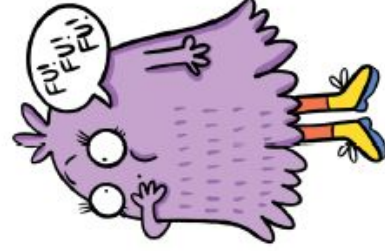

mruczenie melodii

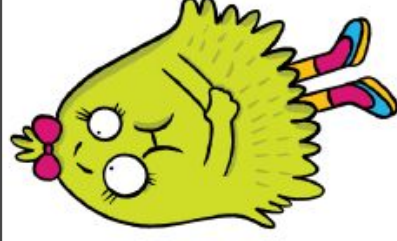

przygryzanie dolnej wargi

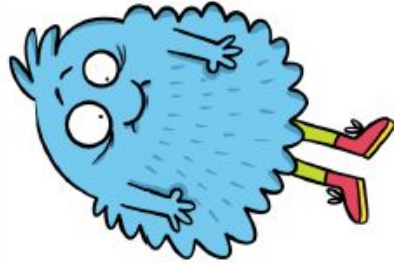

cmokanie

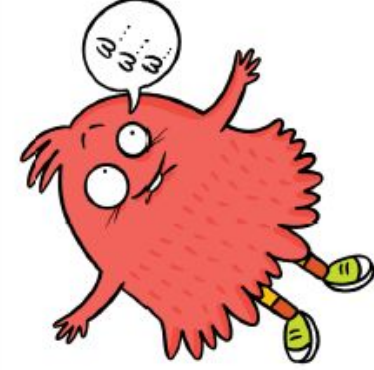

mówienie: fu! fu! fu!

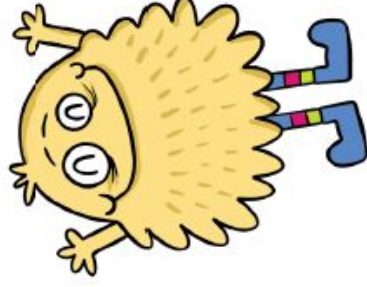

nadymanie policzków

zakładanie wargi
górną na dolną

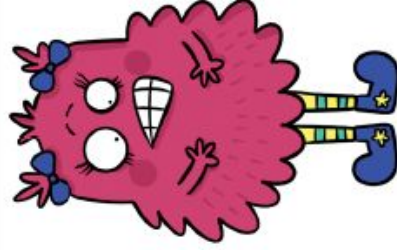

naśladowanie odgłosu lecącego
samolotu: w... w... w...

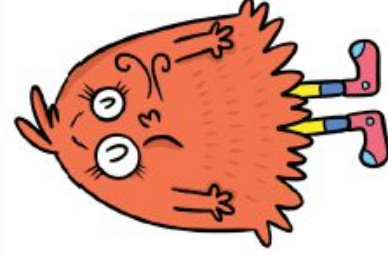

zdmuchiwanie skrawka
papieru z ręki

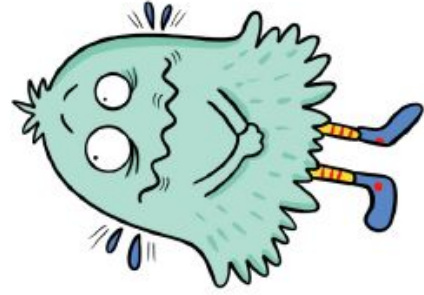

uśmiech bez pokazywania
zębów

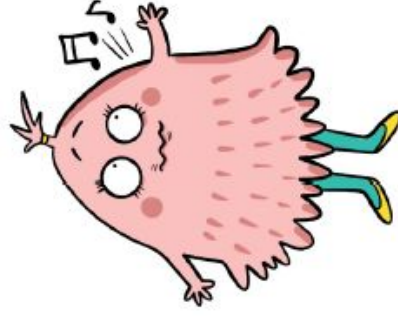

śmieszna mina

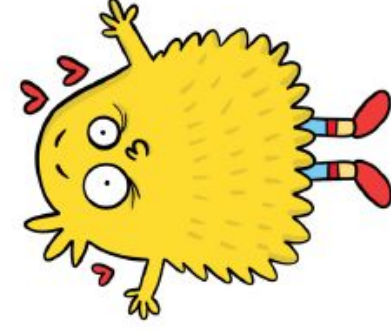

wdech nosem
i wydech ustami
